---

### RESEARCH INTERESTS

Interpersonal Communication, Health Communication, Quantitative Methods

- Applying biosocial logics to communication research
- Social support marshaling for the accomplishment of relational and health-related goals
- Forgiveness promotion interventions and physiological outcomes
- Message processes and their associations with health outcomes for individuals who are coping with interpersonal stressors

---

### EDUCATION

University of Washington

Ph.D., Department of Communication, June 2012

Dissertation title: *"Expressive writing to cope with hate speech: Assessing psychobiological stress recovery and forgiveness promotion after benefit-finding and traumatic-disclosure writing for LGBQ victims of hate speech"*

Committee: Dr. Malcolm Parks (Chair)  
Dr. Valerie Manusov  
Dr. Jane Simoni

San Diego State University

M.A., Communication Studies, Dec 2006

Thesis Title: *"Family Matters: Marshalling Network Support for Romantic Relationships"*

Committee: Dr. Brian Spitzberg (Chair)  
Dr. Peter Andersen  
Dr. Scott Roesch

University of New Hampshire

B.A., Communication Studies, May 2004

Major: Communication (Concentration in Rhetorical Studies)

Teaching Others English as a Foreign Language (TOEFL) Certification  
Patong Language School, Phuket, Thailand, 2007

Mindfulness Based Stress Reduction (MBSR) Teacher Training Certification (In Process), Brown University, 2022

---

**ACADEMIC  
APPOINTMENTS**

Associate Professor, Department of Communication, *University of Delaware*, Present

Associate Director, Center for Health Communication, *University of Delaware*, Present

Assistant Professor, Department of Communication, *University of Delaware*, 2019-2021

Affiliate Faculty Member, Department of Communication, *University of Washington*, 2019-Present

Assistant Professor, Department of Communication, *University of Washington*, 2016-2019

Assistant Professor, Department of Communication Studies, *Colorado State University*, 2013-2016

Affiliate Faculty Member, Department of Community and Behavioral Health, *Colorado School of Public Health*, 2014-2016

Teaching/Research Assistant, Department of Communication, *University of Washington*, 2008-2012

Graduate Teaching Assistant, School of Human Communication, *San Diego State University*, 2005-2006

---

**AWARDS**

Top four paper for the Interpersonal Communication Division, *International Communication Association*, 2022  
*The Longitudinal Influence of supportive messages on stress reactivity, forgiveness, and general well-Being for LGBTQ+ recipients of hate speech: Comparing the relative effects of verbal person-centered and autonomy support.*

Top four paper for the Interpersonal Communication Division, *International Communication Association*, 2021  
*Exploring the role of oxytocin in communication processes: A test of the post sex disclosures model.*

Most Valuable Professor, *University of Delaware Women's Soccer Team*, 2021 & 2022

Interpersonal Division Early Career Award, *National Communication Association*, 2020,  
*This award honors a scholar in the early part of their career whose work contributes significantly to knowledge of interpersonal communication and shows promise for continued contributions that enhance theoretical or conceptual foundations of the discipline and showcases originality, methodological rigor, and impact.*

Top four paper for the Interpersonal Communication Division, *National Communication Association*, 2017  
*Does physiology influence accommodation and satisfaction during conflict?: Exploring the role of testosterone in couples' conflict conversations.*

Senior Capstone Faculty Appreciation Award, *Department of Communication Studies, Colorado State University*, 2015

Interpersonal Division Outstanding Dissertation Award, *National Communication Association*, 2013

*This award honors the most outstanding doctoral dissertation in interpersonal communication completed in the prior two-year period, which is based upon the quality of the scholarship, including its conceptual or theoretical foundation, methodological rigor, originality and creativity, substantive contribution, and potential impact in the field.*

Interpersonal Division Outstanding Dissertation Award, *International Communication Association*, 2013

*This award recognizes the most outstanding doctoral dissertation in interpersonal communication.*

Faculty Award for Outstanding Completed Research, *Department of Communication, University of Washington*, 2013

*This award honors projects that are intellectually rigorous and skillfully executed and extend to a broad range of topics involving communication and with a broad range of approaches to scholarship and practice.*

Top Scholar Award, *Graduate School, University of Washington*, 2008

*Top Scholar Awards (TSA) is to help programs attract outstanding students to University of Washington by partnering with units to build competitive financial packages for their top student prospects.*

---

## GRADUATE ADVISING

### Chair

Ariella Dodyk (Ph.D., in process)  
 Timothy Edwards (Ph.D., in process)  
 Joseph Whitt (Ph.D., in process)  
 Ryan Allred (M.A., completed)  
 "Examining social exchange measures as moderators of politeness techniques in face-threatening acts between romantic partners". Master's thesis defended March, 2016.  
 Joseph Whitt (M.A., completed)  
 "Examining mindfulness-based training effects upon uncertainty reduction in initial interaction". Master's thesis defended March, 2015.

### Inside Committee Member

Mackenzie Myer (Ph.D., in process)  
 Michele Boehm (Ph.D., in process)  
 Allie White (Ph.D., in process)  
 Kevin J. Calderwood (Ph.D., completed)  
 Lauren Fine (Ph.D., completed)  
 Danny Stofleth (Ph.D., completed)  
 Cheri Brown (M.A., in process)  
 Krystina O'Neal (M.A., completed)  
 Shana Makos (M.A., completed)  
 Brandon Bernandus (Undergraduate Honors Thesis, completed)

### Outside Committee Member

Shannon Mayberry (M.A., in process)  
 Kelly Gonyor (M.A., completed)  
 Nicholas Boehm (M.A., completed)

## TEACHING EVALUATIONS: QUANTITATIVE REPORTS

Means represent the average across all items evaluating instructor effectiveness. At the University of Washington, course evaluations offer an adjusted combined mean score at one decimal point. All other course evaluation averages are depicted at two decimal points.

<b>Associate Professor</b> Department of Communication, University of Delaware	<b>Fall 2022</b>	COM440, Stress and Coping through Communication M=4.85 (5=Strongly Agree, 0=Strongly Disagree)
		COM341, Interpersonal Communication Theories M=4.66 (5=Strongly Agree, 0=Strongly Disagree)
	<b>Spring 2022</b>	COM604, Communication Research Methods-Analysis M=4.48 (5=Strongly Agree, 0=Strongly Disagree)
	<b>Fall 2021</b>	COM440, Stress and Coping through Communication M=4.98 (5=Strongly Agree, 0=Strongly Disagree)
<b>Assistant Professor</b> Department of Communication, University of Delaware	<b>Spring 2021</b>	COM650, Interpersonal Health Communication M=4.75 (5=Strongly Agree, 0=Strongly Disagree)
		COM703, Communication Research Methods M=4.71(5=Strongly Agree, 0=Strongly Disagree)
	<b>Spring 2020</b>	COM341, Interpersonal Communication Theories, M=4.95 (5=Strongly Agree, 0=Strongly Disagree)
		COM603, Communication Research Methods M=4.54 (5=Strongly Agree, 0=Strongly Disagree)

	<b>Fall 2019</b>	COM341, Interpersonal Communication Theories M=4.92 (5=Strongly Agree, 0=Strongly Disagree)
		COM341, Interpersonal Communication Theories (Honors section) 4.84 (5=Strongly Agree, 0=Strongly Disagree)
Department of Communication, University of Washington	<b>Summer 2019</b>	COM 270 A, Interpersonal Communication M=4.4 (5=Excellent, 0=Poor)
	<b>Spring 2019</b>	COM270, Interpersonal Communication (Large lecture, 240 students) M=4.8 (5=Excellent, 0=Poor)
	<b>Autumn 2019</b>	COM 500, Communication Theory Development M=4.6 (5=Excellent, 0=Poor)
